## University Stake Adds Two Wards, Counselor

Two new wards were added to Brigham Young University stake during the summer, and Dr. Wayne B. Hales, dean of the general college, was named to the stake presidency to serve as second counselor.

Announcement of the new wards and selection of Dean Hales was made by Stake President Antonio K. Romney. The new wards, titled BYU 25th ward and BYU 26th ward, bring to 26 the stake total.

President Hales, former bishop of BYU Sixth Ward, replaces President Dean B. Farnsworth, President Farnsworth being one of seven BYU instructors who left this month for two-year teaching assignments in Iran.

Robert L. Smith was named bishop of the 25th ward. The new ward is composed of students living in the left wing of Merrill Hall and in the downtown area bounded by 300 North, 300 North, 300 East and 400 East.

Jewell M. Bishop was named bishop of the 26th ward. The new ward will be Vern H. Jensen, His ward will take its members from the right wing of Merrill Hall, Iona House and downtown area bounded by 500 North, 600 North, 600 East and 400 East.

In other recent stake organizational changes, Max L. Waters, Commerce dept. replaced Fred E. Guyman as assistant stake clerk.

## Yearbook Staff Aims For New Sales Record

BYU staff members hope to sell 7,000 books for the 1959-60 school year. Seven thousand copies would be a 40 per cent increase over last year's sales, and would set a new sales record.

The yearbook will contain 400 pages and will cost \$5. Spurs sophomore girls service unit, will be selling Banyans during registration. This year there will be no partial payments.

Lynn Thacker, Banyan editor, announces that application are being taken in the Banyan office for writers, typists, photographers, artists, receptionists, salesmen, "thinkers" and any others who would like to apply.

## ASBYU Prexy's Welcome

Dear Fellow Students,

On behalf of the executive council and all of your student body officers I would like to say, "Welcome." The University Executive Council is striving for the first time, the spirit that permeates this University is felt by everyone who desires to be a part of it. We know that you are as enthused as we are over the prospects of the coming school year.

We are expecting a big year in student government. Our lyceums and assemblies will feature the finest type of talent, and our dance program, with its emphasis on exchanges, promises to appeal to the mature student body. We are proud of the football team, and are looking forward to our home opener when we can support the team with what we are sure will be a dynamic pep program.

Above all, we hope that this year will be characterized by superb classroom effort. The main goal of student government this year will be that of increasing scholastic excellence and academic achievement. Our university is a superior institution of learning, and we feel that the finest contribution which we as student leaders could make is to the welfare of those whom we serve, would be to give to every student an intense desire to take advantage of the excellent education which is here for us.

Welcome to the "Y." It's going to be a great year.

Sincerely,

REX LEE

ASBYU President

### Orientation Madness . . .

## Don't Worry! That Hysterical Thing's a Frustrated Frosh

By Amy Wilson

Freshman Feature Writer Strutin jackets and high powered sedatives may become standard equipment for service units while dealing with freshmen. They are constantly having to calm down or "haul away" hysterical frosh.

All upperclassmen are warned to be on the lookout for the frustrated frosh. The following symptoms are given as a public service:

He can be recognized by a vague green color that crops up around the eyes, nose and mouth. He will probably be mumbling something like "gixps or blimp" under his breath.

### Quaking Knees

The trembling lower lip and quaking knees are another sure sign. The facial expression is a little like Khrushchev's when he was told that he couldn't visit Disneyland.

But when the suspected patient begins to kick over telephone poles, yank up trees, and pitch tables out of windows, watch out!

Don't think that just because of the psychopathic outbursts that all freshmen are naturally weak minded or unstable. That is not true.

### Burnt Potato Salad

After all, the poor souls have to face leftover burnt potato salad, cold fried eggs, unleavened hotcakes and sour milk when they crawl out of bed in the few hours of dawn.

But the freshman does not falter. He grips up his loins to face pamphlets, brochures, catalogs, schedules, forms, application blanks, hand books, and student body officers.

Soon he is so heavily laden with literature etc., that he can hardly make it to his next section. At this point the freshman empties his load in a little green can marked "Trash."

### Hi! Deafening

Just as he feels that he is going to get by with this wicked deed, he is confronted with a fierce looking crowd which promptly screams "Hi!" so loud that he is left deaf for the rest of the day.

Could that have been fellow frosh? No. Couldn't be. They wouldn't pull a dirty trick like that.

East Gym North is the freshman's next stop. A personality test is in store for him. Among the more probing questions are "Is Jayne Mansfield repulsive to you?" Is someone trying to poison you? Are you being plotted against? Do you feel rejected and tromped on?"

### Sobbing Frosh

The Freshman is suddenly overcome with a wave of self pity and falls on the floor sobbing when he is told he is in the wrong section.

He picks himself up, runs an emery board through his hair and scurries off home where he will probably lock himself in at 8 p.m. for the rest of the day.

Darwin must have had Orientation in mind when he came up with "survival of the fittest."

## Nine Thousand Will Register Friday, Saturday in Fieldhouse

Approximately 9,000 students are expected to register at Brigham Young University Friday and Saturday, registration officials estimate.

## Kick-off Kapers' Opens Fall Season For BYU Dancers

The first student body dance of fall quarter will be "Kick-off Kapers" scheduled for Saturday 8 p.m. in three halls.

Students may attend the dance either "stag or drag." Stag dancers will be in the Smith Family Living Center dancing to the music of Tom Moon.

Couples will dance to Stan Taylor and Grady Edenfield in the Smith Ballroom and Social Hall.

Admission to the dance is 70 cents a couple or 40 cents stag, dress will be sport.

## State Songs To Highlight Assembly

Banners from every state in the Union (all 50 of them) and probably more than 34 foreign countries will fly Monday morning at the 10 a.m. assembly.

Yells and songs from all sections of the globe will fill the air as 9,000 students fill the Smith Fieldhouse to express home-state pride.

### Dr. Gates Leads

Studentbody officers will introduce themselves with a humorous skit. Dr. Crawford Gates will lead community singing by acclamation. Pres. Ernest L. Wilkinson is also scheduled to address the studentbody.

Friendly rivalry between states and areas of the country marks the assembly's high point. The Californians are supposed to be the big bad extroverts that everyone persecutes.

### 'Lies, Lies, Lies'

A few Alaskan-Texas stories are usually told with the freshmen chipping in their favorite quips.

Rivalries are consolidated, and a feeling of oneness takes over the cosmopolitan congregation as the assembly ends with the Brigham Young University college song. "All hail the college that we love. . ."

## Universe Offers World Coverage

Universe readers this year will again have access to world news edited from the United Press International teletype located in the editorial office. Beginning with McCarthy's issue, the Universe will carry UPI news and news features.

## Nine Thousand Will Register Friday, Saturday in Fieldhouse

Another thousand students will register late, if last fall's pattern is followed, reports Dean Alma Burton.

### Begins Friday

Registration began Friday at 8 a.m. following a strict alphabetical order. Latecomers who miss their assigned time, will be allowed to register Saturday at 3:30 without paying late fees.

Movies are being shown Friday and Saturday from 10 a.m. to 5 p.m. in the Joseph Smith Auditorium for students who have completed registration or who are waiting for their turn. Shows are "High Noon, Walt Disney's 'Nature's Half Acre' and 'The Power' based on the John Steinbeck novel.

## NARROW ESCAPE

Gentlemen of fashion who desire to escape from any possibility of sartorial boredom will adopt the proprietor's narrow continental trousers shown in a most definite pattern of plaid. Those who wear them will likely establish a reputation for daring to wear the newest.

## GENTLEMEN'S PERSONAL REQUISITES

The proprietor wishes to point out the virtues of this sweater which has recently ended its Atlantic Ocean voyage to these shores, emigrating from the Shetland Isles. It is endowed with rich wool texture native to those isles and color effects of individuality.

## DESIGN OF ANTIQUITY

The past figures in the past of this shirt which a gentleman will draw over his shoulders in hours of leisure. Antiquity of color and design is desired by the architect of fashion, and much of such was seen in the proprietor's stock.

## FASHION BAROMETER

It has oft been observed, scholars have need for a warm as they pursue their studies and activities of the mind. The proprietor invites men and all others intent to try on this coat of choice with racoon fur collar.

# Hi, Fellow Students

Hi, and welcome to the "Y." Jerry Eagleston is my name. Alan Miner and I have come across a way to help you students save money and advertise some of our local businesses at the same time. C.D.A. is a solid and legal business and is set up for your benefit as well as the businesses that are members. I sincerely feel this is a good thing and hope you, too, can see the benefits that we can offer you.

Hi, and welcome to Provo's own Brigham Young University. Alan Miner is my name. Jerry on your left, and I are about to embark on something great. You've probably heard about C.D.A.—that's our organization. We think it can save some of you a lot of money. I say some because we're only allowed a membership of 1500. Jerry and I hope to meet you and welcome you to the Collegiate Discount Association.

**FRIDAY AND SATURDAY** are the registration days not only here on campus, but for the **Collegiate Discount Association**—better known as **CDA**. For those who haven't heard, **CDA** is an on-campus advertising agency which is privately run. Rather than paying us a fee, the merchants, which we advertise, will offer to the members of our organization a discount averaging 15 per cent. By contract, we can only admit 1500 members from our entire student body of 11,000. To insure your membership, take a few minutes today or tomorrow, the 24th and 25th, and visit our registration center: Fisher Smith Jewelry, 83 N. University; and Biddulph-Stum Photographers, 136 W. Center.

**DON'T BE LEFT OUT — ACT NOW.** Membership will be on a "First Come - First Serve basis"—So Don't Delay.

# BYU to Invade Fresno

Fresno State's revenge-minded Bulldogs will be out to knock off favored Brigham Young University Saturday night as the Cougars invade Ratcliffe Stadium for an under-the-lights contest.

Despite a shaky start in last Saturday's narrow victory over Arizona, Coach Tally Stevens' Cats will enter the Fresno contest as one touchdown favorite. The Bulldogs will present virtually the same squad that dropped a 26-7 decision to BYU in Reno last fall.

**FSC WILL HAVE 18** lettermen back from the first two games of last season. The contest will be the first for the new bulldog head coach Cecil Coleman, who like Tally Stevens is

initiating a multiple offense at the California school.

Coleman inherited 24 monogram winners from the team which won the California Athletic Association championship last season.

**HAVING SPENT** most of the week concentrating on sharpening their defense against the draw play, the Cats should be a more cohesive unit in their second encounter than they were against surprising Arizona. The opposition gained 170 yards on the ground last weekend and of that 170 over 90 yards were credited to the effective use of the draw.

Coch Stevens, who used individual substitution at Tucson, announced earlier in the week that he would pilot his first two squads to get more effective use of his manpower.

**NICKNAMED** the "Vets" and the "Jets," the first two units the squads live up to their titles. The "Vets" are composed of veteran players who have seen a lot of action, while the "Jets" are an exceptionally fast group.

Quarter backs Gary Dunn and Ron Startin will probably alternate as signal caller in the contest, since Bud Benlap is still nursing a minor knee injury.

**BYU'S STARTING** lineup as of now is Tom Cole and Fred

Leavitt at ends; John Kapele and Dave Barrus at tackles; Paul Eckel and Lonnie Dennis at guards; Dick Magoffin at center; Gary Dunn at quarterback; Keith Hubbs and Howard Ringwood at halfbacks and Legrande Young at fullback.
